

ABOUT ME

My name is Artur Kwiatkowski. I have graduated in Computer Science at Adam Mickiewicz University in Poznań. I moved to Kraków in April 2019. I was working in Dev and Deliver as front-end developer for over a year. In my work I was mainly working with Vue.js and React.js. I have been working in KISS digital since September 2020. I develop myself mainly in React.js.

I appreciate the nice atmosphere, teamwork and good coffee. I like playing volleyball in my free time.
